# Art and Craft

Aligned with NEP 2020

NCF-FS 2022 & NCF-SE 2023

**Art Around** is a series of step by step learning of creative art. This series of eight books (for classes 1 to 8) has been designed to take young artists on the path of learning, encouraging them to draw and colour on an empty canvas step by step, page by page, and book by book class-wise as they grow.

We have tried our level best to follow the guidelines given in NEP 2020.

The approach is intended to provide the child with an opportunity to assimilate its skills, fantasies and experiences in an artistic disposition.

**Main Features:**

- Easy and interesting drawings
- Natural methods of colouring
- Fascinating themes from a child's surroundings
- Unconventional art exercises
- Paper folding activities
- Craft work
- Collage-pictures made by unusual combinations
- Special theme-based compositional drawing exercises

Not only this, Origami—the Japanese art of folding paper into decorative shapes and figures and craft—an activity involving skill in making things by hand are added attractions of the series.

Moreover, instructions in an easy-to-understand language are the take of everybody. These instructions are not sans information.

In short, this series is aimed at building the confidence of the child in self and the child is destined to forge ahead in the world of canvas.

Who knows a budding artist from those initiated into the world of art at this stage may later on grow to catch limelight, and bounce on the world scene to proclaim, when renowned, that he was ushered in the domain of art by Art Around!

That would be real rapture for the visualizer, indeed! Won't it be?

## Production Infrastructure

At Omen Publishing House, we aim at bringing out systematically graded books that are strictly based on the prescribed syllabus, guidelines and curriculum.

We have a well-qualified team of experts on our panel who are assisted by our efficient and dedicated staff in every step of the book production process.

Our books are designed and illustrated in-house by proficient designers in our own designing department. The content, series level, grading and all other aspects of the books are thoroughly checked and maintained by our team of qualified and experienced authors and editors who impart their special touch to the books and make them exclusive.

To facilitate the process of publishing and to bring out good quality books with sparkling colours and lively illustrations, we have our own printing press where quality control is strictly followed.
